SUMMARY

Full Stack Developer who builds MERN stack web apps, SaaS platforms, e-commerce stores and AI chatbots end to end, from UI design and backend APIs to database setup and deployment, for startups and businesses. Works with React, Next.js, Node.js, Express and MongoDB, plus Python and Django when a project needs it. Clean code, responsive design, regular progress updates and fast replies.

SKILLS

Frontend	React, Next.js, JavaScript (ES6), HTML5, CSS3, Tailwind CSS, Vite
Backend	Node.js, Express.js, MongoDB, Python, Django, Flask, REST APIs, API Integration
Other	MEAN Stack, Databases, UI/UX Design, Git & GitHub

EXPERIENCE

Freelance Full Stack Developer (MERN) · Fiverr — 2025 – Present

- Build MERN stack web apps, SaaS platforms, e-commerce stores and AI chatbots end to end: UI design, backend APIs, database setup and deployment.
- Also provide workflow automation and ongoing website maintenance for startups and businesses.

Full Stack Developer · CodeAlpha — Feb 2025 – Oct 2026

- Built responsive, user-friendly interfaces with HTML, CSS, JavaScript and React.js.
- Developed backend functionality and REST APIs using Python with Django and Flask.
- Worked with databases, CRUD operations, authentication, form handling and API integration.
- Debugged issues, improved usability and structured projects for maintainability.
- Translated business requirements into practical web solutions focused on performance and user experience.

Sales Specialist (Remote Sales & CRM Support) · Titus Furniture Ltd, Canada — Jul 2023 – Aug 2026

- Managed customer inquiries, sales follow-ups, CRM activities and order coordination for international customers.
- Handled Facebook Marketplace and Kijiji listings and supported the sales process from inquiry to fulfillment.

Video Editor · YouTube — Dec 2020 – Feb 2023

- Created, edited and optimized video content for multiple YouTube channels, applying SEO (titles, descriptions, tags, thumbnails).
- Supported channels with a combined audience of 70,000+ subscribers, including an educational channel grown to 41,000+.
